

## Personal Statement

*In a statement of no more than 500 words, describe your background, your interest in the field to which you are applying and your academic and career objectives. Be as specific as you can about the area in which you plan to study. Please type or print clearly and return your completed form to the PennDesign Office of Admissions. If you wish to be considered for a Diversity Scholarship, include a paragraph explaining how you would use this opportunity to increase socioeconomic and multicultural diversity awareness in the discipline for which you are seeking admission and check this box:*
