1. Bathroom facilities should be located in the Visitor's Center.
2. Benches for seating should be placed along the perimeter.
3. The flower beds should be removed.
4. The concrete square blocks should be replaced by a continuous smooth surface.

1. Maintain diagonal vista. Tourists LOVE getting their pictures taken. Do it too by having a camera take photos & project them out the glass of pavilion. Remove bollards.
2. Line up food trucks at JFK. Remove area behind vestos. Movable tables & chairs. Movable area? Leave space for trucks - \$
3. Combo bike carousel & amazing rot lot. See piece in NYC or Boro floor in Copenhagen. Enclose area. Serve sticky Fud
4. Visitor Center pavilion: No YC! Stupid program. Cops for beer garden. Clear glass. Project on once glass

5. Take beer of pop % demands. beer, park, UC, grave to here
