

STUART WEITZMAN SCHOOL OF DESIGN

To meet the intensive computing performance needs of Weitzman School of Design students, these systems are custom-configured with substantially more powerful specifications. The Dell workstations on this page include Dell Precision Optimizer, a software utility which tunes performance for the workstation applications you are actually using.

Dell Precision 5820 Tower

Intel Xeon W-2125 64GB 1TB SSD | \$4399

Windows 10 Pro for Workstations - 3 Year ProSupport Plus Warranty
32GB version available for \$3799

This powerful Intel Xeon-based workstation with an 16GB NVIDIA Quadro P5000 graphics card is optimized for graphic-intensive and CPU-bounded workloads.

A selection of displays for use with the T5820 is available on campusexpress.upenn.edu

Dell Precision 5530 - Performance

15.6in FHD Xeon E-2176M 32GB/512GB SSD | \$2549

Windows 10 Pro for Workstations
3 Year ProSupport Warranty w/Accidental Damage

Dell's Precision 5530 features a Xeon-2176M processor and NVIDIA Quadro P1000 graphics, and is the fourth generation of their market-defining ISV-certified lightweight 15.6in workstation.

Our price saves you \$391

Dell Precision 5530 - Premium

15.6in FHD Xeon E-2176M 32GB/1TB SSD | \$2799

Windows 10 Pro for Workstations
3 Year ProSupport Warranty w/Accidental Damage

Work with even more capability in this higher performance version of the Precision 5530 described above. Twice the storage, and just as thin and light.

Our price saves you \$414

Lenovo ThinkPad P52s - Performance

15.6in UHD Core i7-8650U 16GB/512GB SSD | \$1949

Windows 10 Pro 64 bit - 3 Year Premier Support Warranty w/ Accidental Damage

This is not your normal ThinkPad – Lenovo's P52s includes ISV-certified Quadro 500 graphics, an eighth-generation Core i7 processor, and many ports, all wrapped in a rugged but lightweight body.

Our price saves you \$605

Lenovo ThinkPad P52s - Premium

15.6in UHD Core i7-8650U 32GB/1TB SSD | \$2349

Windows 10 Pro 64 bit - 3 Year Premier Support Warranty w/ Accidental Damage

This version of the ThinkPad P52s includes twice the memory and twice the storage of the system described above, but retains the ThinkPad's rugged and lightweight characteristics.

Our price saves you \$817

Software

Don't forget essential software like Rhino to complete your new Weitzman School of Design workstation.

Microsoft Office 365 Pro Plus is free for student download! See details on Page 16.

INCLUDED WARRANTIES

Each Dell and Lenovo on this page includes a next-business-day, at-your-location premium support service warranty. The Precision 5530 and ThinkPad P52s systems also include accidental damage coverage for 3 years.

OPERATING SYSTEM

Each computer on this page comes with Windows 10 Pro pre-installed.
