#### 2. Place your files

Click on the artboard to set your image. You can rotate your image or place additional images to maximize your paper use

 Select Printer and Media Size options Select ADDM-MATTE for Matte Surface Paper (\$1.00/) or ADDM-SATIN for Satin Surface Paper (\$1.50/)

The "Media Size" is the paper size. Select "Custom" from the drop down menu. Set the width and height to the size of your Art Board

Orientation: If you are not seeing the correct orientation of your art board after setting the custom paper size, choose the correct orientation here.
