

Space & Society Fellowship

SEPTEMBER 2019 — AUGUST 2020

MASS Design Group is seeking applicants for the inaugural Space & Society Fellowship.

We are pairing emerging architects and designers with project teams working to address inequities in the built environment. For one year, Fellows will develop research and community engagement projects, helping to advance work in of the following focus areas:

- Fringe Cities and forgotten landscapes
- Native communities and Tribal sovereignty
- Affordable and supportive housing
- Incarceration and justice
- Agriculture and food systems

Visit www.massdesigngroup.org/contact/jobs to apply.

Accepting applications through July 15th, 2019.
