## 2023 Summer Internships

SOM's summer internships offer an immersive professional experience, mentorship, and guidance to students of all backgrounds. As an undergraduate or graduate student in architecture, engineering, or a related design field, you will have the opportunity to gain a well-rounded perspective on SOM and the day-to-day experience in our studios.

Internships will take place June 5–August 11, 2023, and be held in-person in our Chicago, London, Los Angeles, New York, San Francisco, and Washington DC studios. Applications must be received by 11:59 p.m. EST on January 23 at [som.com/about/careers](https://som.com/about/careers).
