

Ground Reconsidered

July 12, 2021

Ground Reconsidered has an immediate full-time opening for an entry-level Landscape Designer with 0 to 3 years of experience. We are seeking a creative and passionate person to join our Philadelphia landscape architecture firm focusing on the urban public realm, campuses, and recreational places. Please visit <https://www.groundreconsidered.com/> to learn more. A letter of interest, resume, references, and portfolio of work samples can be emailed to ideas@groundreconsidered.com. A portfolio link is preferred. Please do not email files larger than 10MB.

Responsibilities:

- Work directly with mid-level and senior staff participating in a range of tasks.
- Contribute to the project design.
- Collaborate with team members.
- Attendance and participation at project team, client and community meetings.
- Preparation of graphic presentations and contribution to construction documents.
- Participation in construction observation and plant nursery visits.
- Preparation of presentations and illustrative graphics.

Qualifications:

- Experience in a landscape architecture firm.
- BLA or MLA from an accredited program.
- Proficiency in Vectorworks is ideal but not required.
- Experience with Lumion is required. Knowledge of Rhino is preferred.
- Fluency in AutoCAD, Microsoft Office, and Adobe Creative Suite is required.
- Excellent graphic and design aptitude.
- Knowledge of plants native to the Philadelphia region is a plus.
- Excellent organizational skills with the ability to work on multiple projects simultaneously.
- Strong communication skills.

Ground Reconsidered

July 12, 2021

Ground Reconsidered has an immediate full-time opening for a Landscape Architect or experienced Landscape Designer. We are seeking a creative and passionate person to join our Philadelphia landscape architecture firm focusing on the urban public realm, campuses, and recreational places.
