Job Title: Full time Preservation Architectural Associate

Historic Building Architects is seeking a talented design professional pursuing a professional license in architecture with a strong interest in historic preservation. Excellent Architectural Experience Program (AXP) training opportunity.

About HBA

Historic Building Architects is an award-winning historic preservation firm based in Trenton, New Jersey. We specialize in architectural preservation and materials conservation. Our collaborative investigative approach allows us to peel back the layers of the past, helping our clients understand, preserve, and interpret our shared cultural heritage.

Required Qualifications

- A professional degree in Architecture
- Master's degree in Historic Preservation preferred
- Excellent communication skills to work as part of a team
- Proficiency in AutoCAD
- Material conservation skills are a plus
- Must be able to work in Trenton, New Jersey and be able to travel to projects. There may be an opportunity to work from home part-time.

Equal Opportunity Employer

HBA is an equal opportunity employer and as a practice embraces equity. All qualified applicants will receive consideration for employment. We offer a competitive salary and benefits structure commensurate with experience. HBA can consider only applicants who are legally authorized to work in the United States and do not require sponsorship.

How to Apply

Please email your resume and salary requirements to Bonne Rawley at br@hba-llc.com. Please visit our website at www.hba-llc.com for more information.
