PURPOSE AND GENERAL DESCRIPTION
The Regional Organizer is a key player in our Circuit Trails Coalition and regional outreach work. This person should be dynamic, personable, detail-oriented, outgoing, and have excellent writing skills. You should be able to thrive in a dynamic workplace, work with a diverse set of constituents, and handle multiple tasks with a high degree of accountability. You need not be a serious bicyclist, but you must embrace our mission that bicycling should be a safe and fun way for everyone to get around the Greater Philadelphia Region.

The Regional Organizer will report to the Policy Director and serve as a member of the Policy team. This position will have responsibility to build support for Circuit Trails development, including organizing constituents in the region around our Circuit Trails Coalition efforts, a project funded by the William Penn Foundation. This individual will travel throughout the eight county suburbs in Pennsylvania and New Jersey for meetings, trainings and forums to participate in policy meetings and efforts to educate and engage our current and future partners. In addition, this individual will be responsible for significantly contributing to communication efforts directed to our regional followers and will manage the bulk of the Bicycle Coalition’s efforts with respect to the 500 Miles by 2025 Circuit Trails Campaign. This individual will support the Development team with content for membership efforts.

DUTIES AND RESPONSIBILITIES
The Regional Organizer has the following responsibilities:

● Coordinate with the Research Director for online organizing and communications around the Circuit and our regional advocacy work for low stress streets.

● Responsible for posting announcements and posts to the Bicycle Coalition blog, Biking the Region Facebook and Twitter pages, affiliate Facebook pages, and sharing with Circuit Trails social media.

● Organize our regional community around the Circuit through:
  o Designing public outreach strategies to develop and build public support;
  o Working with regional agencies to promote implementation;
  o Presenting at public meetings, city agencies and the press;
  o Researching policies and statistics as needed for advocacy campaigns and reports;
  o Using mapping software to identify local residents to engage for events.
