Greetings,

After reviewing the 2-year Interim Progress Program Report (IPR) submitted by University of Pennsylvania Department of Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report.

In addition to the mandatory information required by the 5-year IPR in 2021, the report must also demonstrate progress toward meeting deficiencies in the following SPC: A.7 History and Culture, A.8 Cultural Diversity, B.3 Codes and Regulations, and B.10 Financial Considerations. Please note that Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
