

# Six Reasons to Study

## HISTORIC PRESERVATION

### at the Stuart Weitzman School of Design

---

- 1 Proven curriculum built on solid knowledge-skill sets and cutting-edge research.** Students get the most for each tuition dollar.
- 2 Cross-disciplinary faculty of international reputation.** More than 20 architects, planners, scientists, historians, engineers, conservators.
- 3 Diverse intellectual and practical experience in classroom, studio, lab and field.** We offer more than 35 dedicated courses in history, theory, technology and praxis.
- 4 International exposure and opportunities for global—as well as local—engagement.** We work in more than 20 countries in Europe, South America, Asia & Africa—not to mention Philadelphia and the rest of the United States.
- 5 Excellent career placement.** The vast majority of alumni are employed in their chosen field; in private, nonprofit and public sector organizations.
- 6 Excellent value for your investment.** You are making a big investment in your graduate education — and we give you maximum benefit and value during your degree and into your career.
