WAIVERS:

For those students who may be seeking waivers of fall course requirements, please pick up a Waiver Form in the department office. Registration must be finalized by the end of the drop/add period on September 15.

Waived courses must be replaced by LARP elective courses. The substitution does not need to occur during the same term as the waived course, but by the time that you graduate from the program, you must have completed the same total number of LARP credits as required by the curriculum that you are following.
