

EBD ALTERNATIVE ELECTIVE REQUEST

Master of Science in Design: Environmental Building Design and Master in Environmental Building Design students must receive permission from the program director before taking an elective not on the pre-approved list if the course will be counting toward the degree. This form is not needed for electives on the pre-approved list; if you have questions, please email the EBD Program Director.

*Please note: approval from the EBD program signifies that if you are able to get a seat in the desired elective, it will count towards your degree requirements. It does **not** guarantee that the other department will allow an EBD student to enroll in the course. Students are still subject to any registration restrictions or permits placed on courses by outside departments.*

Student Information:

Date:	Semester:
Full Name:	Penn ID:
Email Address:	Grad Term:
Degree Program(s):	

Proposed Elective Course:

Course Code: _____ - _____ - _____ (ex. ARCH 5010-201)	Credit Units: _____
